Introduction:

At Tntra, we understand the importance of work-life balance and the need for flexibility in our employees' schedules. To promote a healthy work-life balance, we are introducing the Flexible Friday policy, which allows employees to leave the office early on Fridays, with certain conditions and restrictions in place.

Eligibility: All regular permanent employees are eligible to participate in the Flexible Friday policy, subject to the following conditions:

Conditions for Flexible Friday:

- Employees must start their workday no earlier than 8:30 AM on Fridays.
- The office will be opened at 8:30 AM by the admin team every Friday.
- Employees may leave the office early on Fridays but not before 5:30 PM.
- Employees can avail this flexibility twice a month only.

Approval Process:

To avail the Flexible Friday benefit, employees must follow the approval process:

- Employees must seek approval from their respective leaders or tech leads.
- The approval must be requested at least three days in advance, by the end of the day on Wednesday of the week in which they plan to take Flexible Friday.
- The approval request must be submitted in writing, either through email or any designated communication channel.
- The leader must ensure that not more than 20% of their team is availing Flexible Friday on the same Friday.
- Approvals are on a first-come, first-serve basis.

Responsibilities:

- Leaders and tech leads are responsible for planning their team's work to ensure that there is no loss of productivity due to Flexible Friday.
- Leaders must monitor and manage the approvals for their team to ensure equitable distribution.
- The HR team will be informed of all approvals for record-keeping purposes.
- The admin team will ensure that the office opens at 8:30 AM every Friday.

Review:

This policy will be reviewed periodically to ensure its effectiveness and alignment with company goals and objectives. Any updates or changes to the policy will be communicated to all employees.

Acknowledgement:

The Flexible Friday policy is designed to provide employees with the flexibility they need to manage their personal lives while maintaining their commitment to their work responsibilities. We believe that this policy will contribute to a healthier work-life balance and enhance employee satisfaction.

For any questions or clarifications regarding this policy, please contact the HR department.
