**Introduction:** The Learn and Grow policy is designed to foster continuous learning and professional development among employees at Tntra. This policy outlines the guidelines and benefits of the program to encourage skill enhancement, knowledge acquisition, and career growth.

**Eligibility:** All full-time employees of Tntra are eligible to participate in the Learn and Grow Policy.

#### **Program Details:**

**Learning Opportunities:** Employees can engage in various learning activities such as acquiring certifications, training sessions, and online courses related to their field of work.

**Skill Areas:** The program covers a wide range of skill areas, including technical, managerial, and leadership skills, enabling employees to develop expertise in their respective domains.

#### **Reimbursement Amount:**

- 100% of the certification cost
- The amount will be reimbursed upon successful completion and certification.
- No advance payment will be made.
- In case of an unsuccessful attempt, no payment will be made.
- Employees can avail of this benefit a maximum of two times per financial year.

#### **Approval Process:**

1. Employees must discuss their learning objectives with their respective Reporting Manager and DLT Leader.
2. The DLT will seek approval from the Management via email.
3. Once approved, employees should initiate a help desk ticket categorized as "Learn and Grow Requisition" and attach the approval email.
4. The HR team will collaborate with the Finance team to process the necessary approvals.

#### **Reimbursement Process:**

1. Upon successful completion of the learning activity, employees must submit relevant documentation, such as Original certificates and all original receipts.
2. The Finance Department will review the reimbursement request and process the reimbursement as per the company's reimbursement policy.
3. The reimbursement will be provided within 3 months of request sent to finance for approval, provided the employee does not leave the organization within one year of the certification date.
4. If the employee leaves within one year, the organization will recover 100% of the reimbursement amount from their full and final settlement.

#### Discounts on Certifications:

- Certain certifications offer discounts through coupon codes linked to previous certification accomplishments.
- For example, if an employee pursues a Professional-level certification after achieving the Associate level, they may qualify for a discount.
- Reimbursement will be based on the final cost after applying such discounts.

**Non-Compliance:** Employees are expected to adhere to the program guidelines and use the learning opportunities responsibly. Failure to comply with the policy may result in a review of the employee's participation in future learning activities.

**Program Modifications:** Tntra reserves the right to modify, suspend, or terminate the Learn and Grow Program at its discretion. Any changes to the policy will be communicated to employees in a timely manner.

#### Terms and Conditions:

- Reimbursement is subject to successful completion and certification achievement.
- Employees must remain with Tntra for at least one year from the certification date to retain the reimbursement.
- If an employee leaves before completing one year, the full reimbursement amount will be recovered from their final settlement.
