Version History

Ver	Date	Description	Author	Approved By
1.0	01-Apr-2025	New Policy Formed	Human Resource	TLT
2.0	01-Dec-2025	Amendment - Augmentation	Human Resource	TLT

1. Purpose

This policy outlines the standardized process for Permanent Recruitment, Intern Hiring, and Resource Augmentation & Contract Hiring at Tntra. It ensures transparency, alignment with organizational goals, financial discipline, and consistent hiring practices across all functions and geographies.

2. Scope

This policy applies to:

- All departments and business units within Tntra
 - All Hiring Managers
 - People Management Team
 - Finance Team
 - Global Leadership (CTO & CEO)
 - External Strategic Talent Partners (for augmentation)
-

3. Permanent Recruitment Process

3.1 Initiation

- The Hiring Manager must raise a hiring request through the **HR Portal**.
- A **Recruitment Requisition Form (RRF)**, available under the *Forms* section of the HR Portal, must be attached.

3.2 Internal Alignment

- Once the request is submitted, the Head of People Management (Milin) will review it and align with:
 - **Global CTO – David** for all *technical and related roles*
 - **Global CEO – Dan** for all *other roles*
- Alignment may occur via email or official chat communication.

3.3 Finance Approval

- After leadership alignment, Milin will forward the request to the **Finance Team** for budget approval.

- **If approved:** Recruitment activities will begin.
- **If rejected:** The hiring request will be closed with a formal communication sent to the Hiring Manager.

3.4 Recruitment Execution

Once Finance approval is received, the People team will initiate:

- Job posting
 - Sourcing
 - Screening
 - Interview coordination
 - Offer and onboarding (as per standard HR procedures)
-

4. Intern Hiring Process

The Intern hiring workflow follows the **same process** as permanent recruitment:

- RRF submission → Leadership alignment → Finance approval → Hiring execution.

No deviations or special provisions apply unless approved by People Management and Finance.

5. Resource Augmentation & Contract Hiring

Resource Augmentation covers temporary workforce needs or skills not available internally.

5.1 When to Use Augmentation

- Temporary project demands
 - Skill gaps that cannot be filled internally
 - Urgent resource needs where permanent hiring is not feasible
 - Strategic or client-driven requirements
-

5.2 Initiation & Internal Approvals

- A requirement is raised with Milin by the Hiring Manager or Project Lead.
- Milin aligns the requirement with:
 - **Global CTO – David** for tech roles
 - **Global CEO – Dan** for non-tech roles
- After leadership alignment, Milin submits the requirement to **Finance** for approval.

If Finance approves → Requirement moves forward.

If not approved → Request is closed.

5.3 Engaging Strategic Talent Partners

- Once approved, the requirement is floated to **strategic talent partners**.
- These include vetted IT companies or entities that can supply eligible talent.
- **Relationship and partner management** is owned by **Parth Barot**.

Partner Onboarding Requirements

Each partner must:

- Submit a **Vendor Registration Form** along with necessary documents (e.g., GST certificate).
- Sign the **standard Tntra Resource Augmentation Agreement** for every resource onboarded.

5.4 Selection & Negotiation

- When a suitable candidate is identified by a partner, Milin will conduct final discussions and negotiate commercial terms.
 - There is **no MOQ (Minimum Order Quantity)** for months of engagement.
 - Engagement duration will be **mutually agreed per resource**, and **Tntra retains the right to discontinue an engagement with 30 days' notice**.
-

5.5 Timesheets, Billing & Finance Guidelines

Timesheet Submission

- Internal timesheet hours for all augmented resources will be compiled by **PMO**.
- PMO will share validated hours with **Milin and Finance** every month.

Invoice Process

- Based on the shared timesheet hours, partners will be instructed to raise a **proforma invoice**.
- After approval, partners may submit the **final monthly invoice** to Finance and Milin.

Payment Terms

- Payments will be released **within a maximum of 30 days** from the invoice date.
 - No penalties or compliance deductions apply unless specified by Finance.
-

6. Governance & Compliance

- All hiring—permanent, intern, and augmented—must strictly follow this policy.
 - Any deviation must be pre-approved by the Head of People Management and Finance.
 - Documentation must be stored centrally in the HR Portal or shared drives as per Tntra's data governance standards.
-

7. Review Cycle

This policy will be reviewed **annually** or earlier if required by organizational changes, compliance needs, or leadership directives.
